

COMMLEASE HAS BEEN A TRUSTED EQUIPMENT LEASING PROVIDER FOR OVER 20 YEARS.

During this time Commlease has leased thousands of radio solutions manufactured by Tait Radio Communications.

Tait - your trusted radio provider

Tait Radio Communications is a market-leading provider of radio solutions throughout New Zealand. It's tough and reliable New Zealand made radios are trusted by thousands of users and the company's support and service structure ensures solutions are the right fit for the task at hand.

Commlease is now owned and operated by Tait Radio Communications exclusive New Zealand Distributor, Logic Energy Limited. This new ownership structure has allowed Commlease to continue to offer dedicated leasing options for Tait Radio solutions.

Commlease knows investing in a radio communication solution is a business decision. So take a look at our options.
